This holiday inspired wine and food tasting event will be held at 20 exceptional wineries throughout the Niagara Benchlands area. Each will feature one of their wines paired with a festive food item.

To experience “Get Wrapped Up”, patrons will purchase a discovery pass for the desired weekend for \$54.95 permitting them to visit 6 wineries per day to a maximum of 12 wineries per weekend. Niagara Benchlands Wineries want people to explore the vast array of wineries, wines and culinary delights of our fantastic destination. www.niagarabenchlandswineries.com for ticket information.

“Each participating winery has put a remarkable effort into a great experience for everyone” said Sue-Ann Staff, one of the many organizers of this event. “Expect a great gastronomic experience coupled with the frivolity of the season which will put you into a great holiday mood.”

Participants are encouraged use #getwrappedup to post about their fun and wonderful food and wine pairings along their route. They are also encouraged to scan QR codes along their route for prizes and to create their own virtual recipe book curated from the many delicious items tasted along their route.
